

Chapter 16

Chakra Healing

- Integrate all 36 multi-dimensional chakras, opening them when appropriate and healing all imbalances in their spin, size and overall health. This might require the opening up of a higher dimensional chakra or the healing of issues at a lower level. All resonances in Octave C10:

(Although there are 36 sets of codes in total, this does not mean that there are 36 separate chakras. We are only working here with the 7 core chakras plus an 8th – which I know as the Soul Star Chakra – in the 3rd dimension. We are therefore looking to stimulate and heal our core 7 chakras at the 3rd, 4th, 5th, 6th and 7th dimensions as we become ready to take these steps towards our highest state of being while in physical form.)
